The NEA-NM Education Political Action Committee (EdPac) collects voluntary contributions from Association members and uses those contributions for political purposes, including, but not limited to, making contributions to and expenditures on behalf of friends of education who are candidates for elected office. Contributions to EdPac are voluntary; making a contribution is neither a condition of employment nor membership in the association, and members have the right to refuse to contribute without suffering any reprisal. EdPac contributions are not deductible as charitable contributions for federal income tax purposes.
